

***Bida sin Amor ta manera  
un piska sin su laman***

***Life without Love is like  
a fish without its ocean***

***Bida sin Amor ta manera  
un shelu sin su streanan***

***Life without Love is like  
a sky without its stars***

***Bida sin Amor ta manera  
un kadushi sin su sumpiñanan***

***Life without Love is like  
a cactus without its thorns***

***Bida sin Amor ta manera  
un para sin su alanan***

***Life without Love is like  
a bird without its wings***

***Bida sin AMOR ta manera  
un kurpa sin su KURASON***

***Life without LOVE is like  
a body without its HEART***
